

Mundy Musings

February 23, 2018

INSTEAD OF...	SAY THIS...
I'm not good at this	What am I missing?
I give up	I'll use a different strategy
It's good enough	Is this really my best work?
I can't make this any better	I can always improve
This is too hard	This may take some time
I made a mistake	Mistakes help me to learn
I just can't do this	I am going to train my brain
I'll never be that smart	I will learn how to do this
Plan A didn't work	There's always Plan B
My friend can do it	I will learn from them

“There is a difference between not knowing and not knowing YET.” Sheila Tobias

Happy Day My Friends!

Please keep the kiddos coming to school, and on time. Our attendance and tardy data is better, but still needs to improve. Let's do it for kids!

Don't miss out on these events - we still need volunteers!

Peace!

Mr.K
