"Take a deep breath. Go present in the moment and ask yourself what is important This Very Second"
Greg McKeown

Good Afternoon!

All FSUSD Schools are set to open on Monday, October 16, 2017. We are working hard to ensure that the air quality in the classrooms and buildings maintain a safe level. At this time, all systems are go and safe!

Let's take some time this week to be aware and cognizant of others feelings. Remain calm, take time to respond, and let's step up our Kindness factor. When your child asks questions about the disaster; listen, answer honestly, but don't dwell on details.

We have an amazing community that have seen incredible first responders, emergency vehicles and workers come together tirelessly for a great cause. Let's keep that in mind and know that "We got this" can be our mantra.

Peace.
