Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

• For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.

• For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012-13 Academic Performance Index Reports Information Guide located on the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

## School Description and Mission Statement (School Year 2012-13)

### MISSION STATEMENT

Our mission at B. Gale Wilson School is to educate all of our students to their highest potential by providing a rich and safe environment for learning.

### VISION STATEMENT

At B. Gale Wilson School, excellence in learning is the primary focus. Individual differences and cultural diversity are accepted and respected, and a variety of teaching styles are recognized and valued. Staff and families form a partnership to provide the best possible environment for building self esteem, guiding academic direction, instilling multicultural awareness, and inspiring motivation for life-long learning in all of our children. Students are engaged in academics that will result in high levels of achievement. Support and assistance are provided to ensure that each and every student masters challenging curriculum. Participation in a variety of arts, music, dance, sports, technology, and cultural activities are valued and encouraged as part of the regular and extended school day. Leadership and service opportunities are also emphasized. The experiences of all B. Gale Wilson School members (students, parents and staff alike) will include open communication, a safe and equitable school environment, and a sense of belonging to a diverse school community. We are a learning community dedicated to the success of all our children.

## Opportunities for Parental Involvement (School Year 2012-13)

At B. Gale Wilson, parent involvement is both welcomed and valued. The School Site Council involves parents in providing governance and oversight for our expenditures of state and federal categorical funds. As members of this body, they help shape our Single Plan for Student Achievement. We have a dedicated Parent Teacher Organization (PTO). PTO meets throughout the year and organizes a variety of community activities throughout the year. The PTO is also active in fund raising, bringing in thousands of dollars to support the school and student achievement.

The Dual Immersion Parent Advisory Board provides opportunities for parents of students in the Dual Immersion program to provide support.

Parents are also appreciated as volunteers in the classroom. Working with students, assisting with grading and copying and chaperoning field trips are common ways for B. Gale parents to get involved.

## III. Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

## Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Standardized Testing and Reporting Results by Student Group - Most Recent Year

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
All Students in the LEA	56%	51%	56%	47%
All Students at the School	59%	60%	66%	61%

Students Receiving Migrant Education Services	N/A	N/A	N/A	N/A

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB).

For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

### California Physical Fitness Test Results (School Year 2012-13)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Four of Six Fitness Standards	Percent of Students Meeting Five of Six Fitness Standards	Percent of Students Meeting Six of Six Fitness Standards
5	15%	12.5%	22.5%
7	19.4%	22.2%	19.4%
9	N/A	N/A	N/A

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## IV. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2010	2011	2012
Statewide	5	7	6
Similar Schools	4	6	6

### Academic Performance Index Growth by Student Group - Three-Year Comparison

Group	Actual API Change 2010-11	Actual API Change 2011-12	Actual API Change 2012-13
All Students at the School	34	-12	-5
Black or African American			-7
American Indian or Alaska Native

Two or More Races			
Socioeconomically Disadvantaged	49	0	-10
English Learners	22	-1	-18
Students with Disabilities			

Note: 'N/D' means that no data were available to the CDE or LEA to report. 'B' means the school did not have a valid API Base and there is no Growth or target information. 'C' means the school had significant demographic changes and there is no Growth or target information.

### Academic Performance Index Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API at the school, LEA, and state level.

Group	School	Growth API	LEA	Growth API	State	Growth API
All Students at the School	779	822	15,643	790	4,655,989	790
Black or African American	110	753	2,746	728	296,463	708

Students with Disabilities	103	632	1,782	606	527,476	615

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2012-13)

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Yes

### Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**School Safety Plan (School Year 2012-13)**

While students' educational achievement is our number one priority, we understand that this cannot be accomplished unless students are safe from physical and emotional harm when they come to school. We are fully committed to maximizing school safety and to creating a positive learning environment that teaches violence prevention and emphasizes high expectations for student achievement, responsible behavior and respect for others.

We practice evacuation and disaster drills regularly, emphasizing the importance of preparation and remaining calm in the face of a crisis. We then review our performance on these drills with staff and students.

## Suspensions and Expulsions

Rate*	School 2010-11	School 2011-12	School 2012-13	District 2010-11	District 2011-12	District 2012-13
<b>Suspensions</b>	11.63	14.6	19.5	15.53	19.7	20.6
<b>Expulsions</b>	0.21	0.2	0.2	0.6	0.4	0.2

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

## VI. School Facilities

### School Facility Conditions and Planned Improvements (School Year 2013-14)

B. Gale Wilson School is located on Cherry Hills Court in the City of Fairfield.

#### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available on this site. Below is more specific information on the condition of the school and the efforts made to ensure the students are provided with a clean, safe, and functional learning environment

#### Age of school Buildings

The campus was built in 1990 and includes modern facilities for teaching and learning including 34 classrooms wired for technology, a library-media center with Internet access for electronic research and ample book storage. The large multi-purpose building includes a stage, a full service kitchen, student restrooms and a kiosk window for PTA sales. In addition to the classrooms wired for Internet access, the site has a computer lab for 35 students. The asphalt playground area includes both primary and secondary play equipment, as well as basketball & volleyball courts and is just off the playfields which have soccer, baseball and softball diamonds. The Kindergarten classrooms are adjacent to the administration building includes a fenced playground with play equipment designed for early childhood development. The campus serves Kindergarten through 8th grade. In 2005, the City of Fairfield be completed an after school child care building located on the site to provide after school day care for students.

#### Maintenance and Repair

District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

The District governing board has adopted Strategic Goals, which include cleaning standards for all schools in the District. (Strategic Goal #4). These standards are available at any school site and the District Office. The District's Operations Department works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school, along with the supervision of the site principal.

#### Deferred Maintenance Budget

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair/replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

#### Deferred Maintenance Projects

There are no deferred maintenance projects scheduled for the 2013-14 school year.

#### Modernization Projects

## B. Gale Wilson Elementary 2012-13 School Accountability Report Card

There are no modernization projects planned at this site during the 2013-14 school year.

### New Construction Projects

There are no new construction projects planned at this site during the 2013-14 school year.

### School Facility Good Repair Status (School Year 2013-14)

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

System Inspected	Repair Needed and Action Taken or Planned		
	Good	Fair	Poor
Systems: Gas Leaks, Mechanical/HVAC, Sewer		—	—

## VII. Teachers

### Teacher Credentials

Teachers	School 2010-11	School 2011-12	School 2012-13	District 2012-13
Teachers with Full Credential	37	37	34	835
Teachers without Full Credential	0	0	4	34
Teachers Teaching Outside Subject Area of Competence	0	0	0	N/A

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2011-12	2012-13	2013-14
Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2012-13)

The federal ESEA, also known as NCLB, requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	90	10
All Schools in District	96	4
High-Poverty Schools in District	96	4
Low-Poverty Schools in District	96.49	3.51

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

## VIII. Support Staff

### Academic Counselors and Other Support Staff (School Year 2012-13)

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	0
Counselor (Social/Behavioral or Career Development)	0	N/A

Resource Specialist (non - teaching)	0	N/A
Other	0	N/A

Note: Cells shaded in black or with N/A values do not require data.

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

## IX. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Month and year in which data were collected: January 2014

### Types of Services Funded (Fiscal Year 2012-13)

Our school receives funds from the district general fund, School and Library Improvement Block Grant, Economic Impact Aid-Limited English Proficiency, lottery fund and donations. The funds from state and federal sources must be expended in accordance with policies and guidelines established for those programs. Expenditures in 2012-13 included paraeducators to support classroom instruction; supplemental academic support instruction (both after school and extended school year); supplemental classroom materials and supplies; the purchase, installation and maintenance of technology; and professional development conferences & workshops.

## XII. Instructional Planning and Scheduling

### Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional development, focused on students and achievement, is an important aspect of the success of any school staff. We hold one day for meeting and training before the start of the school year and incorporate professional development into our regular faculty meetings. Our training has largely focused on Teach 4 Success, science, technology, engineering and math (STEM) and common core instructional strategies. We have also hosted professional development to support the utilization of Reflex math, Gizmo and Study Island.
